2 blue and silver aluminum 1 purple/pink and white and 1 silver and white attachment and 1 CARS bicycle (not schwinn) We are a family of four and do not have the time to ride any more. The bikes are in great condition the only real defect is 2 of the bikes needs air in the tires due to sitting in our garage for a while unused. We paid over \$800 for everything and are asking \$600 OBO we can sell bikes individually if you are only interested in one or two etc. Serious inquiries only please. Thank you
