Eurocave High Performance 186

25.75"L x 56.5"H x 25"D

This was handmade in France and has a custom brown crocodile finish and a solid door. Originally with a 186 bottle capacity, five sliding shelves were added and now capacity is 144 bottles. Nine sliding shelves in all, and 2 fixed shelves.

Total temperature (has cooler and heater), humidity and vibration control so it can be stored in any environment and still keep wine in the perfect condition.
