Address:

**Mediapolis**

Price:

**300.00 \$**

1888 Victor Safe. I have the combination and the main door is functional. I don't have the keys for the lockable door and drawer on the inside of the safe. However neither that small door nor the drawer are currently locked shut. The interior appears to be original although it is somewhat worn. ~28x18.5x17 inches. 319-768-6940
