2008 KZ Montego Bay 37 feet, 4 slide-outs, office corner, fireplace, stand-alone kitchen table with four chairs, two televisions (one in the bedroom and one in the livingroom), queen-size bed in the bedroom and queen-size sofa bed, lots of storage both inside the RV and in the storage compartments.

It is currently located on Lot 115 at TravelWorld RV Park, 12400 US 19 N, Clearwater, Florida. There is a high white PVC in the back, providing privacy, and a 8 x 10 shed. We made a "ground" patio area with patio blocks, creating a clean and private space. There are PVC steps for the main door.

This is a beautiful and fully functional RV and the reason for the sale is that we bought a park house directly on Travel World RV Park.
