To the first person that calls and picks up the items listed in the pics will get these items for free. The desk is in generally good shape but may need a little work on one side. The glass shelves are in groups of three and there are three groups (9 shelves in all) with hardware. The bookshelves are attached to a wall so a little demo work will be needed to separate them. Call Jeff @ 662-422-1809 before 10 pm tonight or before 12pm tomorrow. These are located at 119 Front Street in Iuka. Hurry, the early bird... well you know the rest.
