This is an estate sale, EVERYTHING must go. Per the families wishes the sale is being held in the garage, on the driveway, and front lawn, sorry, nobody will be allowed inside the home. We will have staff on hand bringing items out all day long. Come early, stay late, you never know what will come out next. Not your typical sale. There are many many new in the box items, from kitchen items to electric chain saw, and everything in between. Bring bags, boxes, trucks, trailers, and cash. Cash only, all sales final.

Kitchen items, Christmas decor, household chemicals, furniture, hunting / outdoor gear, new ATV tires on rims, like new 18hp DR wood chipper \$2,200, camping gear, vintage games, Lane Furniture cedar chest, old trunks, ATV Kolpin firearm case, ATV steel rear rack, #10 REDWING crock, etc. Too much to list.
