Address:

NE Wichita, Wichita

Price:

150.00 \$

I commissioned this bookcase built by a carpenter friend some years ago. It has wheels and a non-tip kit on the base. It stands 4'3" (51") tall (from peak) by 4' (48") wide with a 12" base width. Solid, and paint (pink & white) still in great condition. Thanks for looking.

*Delivery to be worked out with seller.
