Price:

60.00 \$

\$60 obo for Queen size

\$40 obo for Full size

Ikea Sultan Forestad foam mattress, was \$250-300 new about 5 years ago. Ikea no longer makes this model.

Condition:

both have a few light stains on it, barely visible, that I've tried scrubbing out with detergent and bleach but no luck, but that's why they're priced \$60/\$40. If you add a new topper this could be a nice inexpensive solution. Back side is clean on the queen size, from a smoke free house, no odors or pet dander.
