I am selling a vintage 1985 Pioneer CT-S11 Cassette Deck. It has been tested and works well, and is clean and otherwise in excellent physical condition. I would like to get \$40 OBO. I am open to negotiation. Serious Inquiries only. POOS. Cash only, no negotiating in person, and I'd prefer to meet by my house in St. Ann. Respond to this post or inbox me if interested. Thanks a lot!
