Address:ClearlakePrice:Free

Vintage, 1966, 6 string, fireglo, in it's original case. This rare guitars condition is quite<br/>beautiful. It's also a great investment I would not be selling it, were it not for the need of<br/>another vehicle I saw this same Ric on ebay that sold for \$5,300. It's not nearly as nice as<br/>this one. Serious inquiries only, please.
