Address: **Philadelphia**  
Price: **20000.00 \$**

In fair condition. Driven 238,000 miles delivering kids to school, baseball practice, band rehearsals, dance lessons, soccer games, church activities, etc...Cruise works. CD player and radio do, too. A/C blows mercifully cold. Heater is toasty. Front tires have less than 10,00 miles on them. Only serious offers. Clear title. She's an old gal, but there's life left in her yet.
