FREE Counseling: If you or someone you know could benefit from behavioral health counseling, please let me know. As a BHIS provider for Life Connections, I offer services at NO COST TO THE FAMILY to children between the ages of 3-19 that qualify for/are on Title XIX insurance. I provide counseling to help focus on improving mental health or behavioral concerns, low self-esteem, family and peer relationships and communication, anger management, among many others. Therapy services are also available for people that do not qualify for Title XIX insurance. Please message me if you have any question and/or know someone who would benefit from our services.
