Hello!

I am Robert Lackey with Open Road RV. I am the Business Development Consultant. I help people online find the rig they want, and even get them the closest, most accurate pricing you'll get from a dealership before actually spending your day going from lot to lot. :)

I grew up in Snohomish County, so I'm not a robot or some outside sales guy. I am here to help!

Instead of flooding you with tons of ads and photos, I wanted to simply let you all know we are not only Snohomish County's local RV Dealership, but also Washington State's fastest growing dealership.

That being said, if you are looking to buy, sell, or trade an RV. Give me a call or send me an email.

You may also visit our website at www.openroadrvcenter.com.

We offer full service and parts and have a quick turnaround of most repairs if you need that too.
