Address:

Falmouth, FALMOUTH

Price:

150.00 \$

Just purchased last semester for around 500. It has a few scratches on the outside edges, other than that it is in perfect condition and still works like it did when I got it. Recently got a new tablet so I no longer need it. Price is negotiable and I can even throw in the cooling fan, wireless keyboard and mouse and padded case I just purchased for it.
