I have a 2003 yamaha blaster 250 in really good condition could be a lot of fun to the right person. My kids are just outgrown it. It will come with two helmets and I set of paddle tires for the dunes. It has a clean bill of sale and registration. On ATV blue book average sale is 1785 less than good condition. With helmets and paddle tires I'm asking 2,000 or best offer so let's negotiate
