I have a 10x20 Hallmark pull behind concession trailer for sale. It has the triple sink, hand washing sink, fresh water holding, hot water tank, waster water holding, generator, 3 electric counter top steamers, two stainless steel tables, one electric Pepsi soda cooler, a small Silver King refrigerator and a lot of little items such as sandwich wrap and to go containers...this is a great trailer I have passed Heath Department inspection several times and will miss it greatly. I am needing this sold as quickly as possible. Contact phone is 580-919-9246
