Price: 450.00 \$

The chair works perfectly and the leather is in great condition except for a small tear under one of the arm rest that I have taped up and some minor scratches. Not too difficult to move and even willing to help load. I was able to fit it into my VW wagon on its side. I would be willing to move or deliver it for an extra \$50 dollars depending on your location as long as you were 100% sure you were buying it. \$450 OBO
