Address:

Vartikian Ave., Clovis

Price:

850.00 \$

This is a brand spanking new, gorgeous dining set consisting of a glass top supported by an x base in a rich espresso finish and 6 matching side chairs (see photos) covered in a putty-colored microfiber fabric. I paid \$1,500.00 for the set and am asking only 850.00 OBO.

The table is 42 x 72 x 30H, and the chairs are 19 x 22 x 40.25H.

It is beautiful, but too large for my dining space. Since it was a special order item, I cannot return it and am, therefore, willing to sacrifice for much less than I paid.

P.S. The first 2 photos are professional images, and the rest are photos I took of myself. If interested contact me at 559-575-8065 or email me at dschurman@sbcglobal.net.
