Beautiful Oak Entertainment Center. This is in excellent condition. It is 4 Pieces, 2 lighted Curio's measuring 6'4 tall, 18" deep, and 30" wide. Two glass shelves on top. Middle unit is 6'7 tall and 45" wide, 39 1/2" inside. Enough to hold a tv that measures 39" outside top dimensions. Am moving and must get rid of.

This is only for Units and no TV or components are included.

This is on a third floor and the middle unit is heavy, so will need good help. Let me know if you have any questions. If you want it let me know, and you can come and get it. thanks!
