This corner closet is brand new - in fact I have several still in the box for easy transport. Creates a great closet in any corner of a room - two hanging rods on top and two shelves below for sweaters, shoes, etc.

I have a few of these - you can have one set up or brand new in box.

Phone or text 308/940-1537

I have a number of other storage cabinets - all new - some in boxes ready to assemble.
