Turn any corner of any room into a great closet! I have a number of these - Brand New - some are still in box for easy transport.

About 7 feet tall with clothes rods on both sides and two shelves at the bottom to easily hold shoes, sweaters, etc.

Let me know of questions.

308/940-1537 call or text

I also have other new cabinets and storage shelving - most new in boxes ready to assemble.
Good prices.
