Price:

Nice desk in light laminate wood. Has keyboard drawer, large cabinet for storage and hutch with filing/storage areas and a rotating storage area for mail, DVDs, etc. Currently stored in ground level garage near E470 and Chambers...it's yours if you can come and pick it up. About 4 feet tall, 3.5 feet wide and 3 feet deep. Maybe 75-100 lbs. The hutch does not come off the top of the desk so you'll need to be able to transport in one piece. Need to have the desk picked up by Tuesday afternoon at the absolute latest, preferably sooner.
