White full size bunk beds can be separated. Has storage drawers under it and shelves in headboards. Ladder not shown in picture. Mattresses are from The Original Mattress Factory and were barely used by my young children. Some minor white paint missing from bottom, see pictures. Night stand has marks from a radio/clock may be able to remove spots. purchased from Hayneedle.com and paid about \$1800 for just the furniture itself. Furniture is about 3 years old. Moving and can't take with me.
