This gorgeous vintage bedroom suite is elegant but whimsical, and carries with it over 100 years of its own life story. It has been meticulously restored using top quality Annie Sloan products and tremendous attention to detail.

- Antique vanity/dresser built in the early 1900s with solid tiger oak wood.
- Serpentine drawers with knobs featuring clear heart-shaped faceted pedals.
- Brand new beveled mirror that can be detached.
- Ornate carvings characteristic of the Victorian era styles.
- Original wooden casters included but can also be removed.
- Drawers are lined with custom-made grey damask fabric.

Solid wood, large headboard, footboard
