The heat of my storage shed is starting to take a toll on these, sure would like to sell them. The two tables are very nice items, one now is showing some stress from the heat.

I have 3 vintage Pie Tables, and I believe they are Duncan Phyfe. See the style of legs. Two of them are in beautiful condition -- one is missing one of the brass foot covers, I may have it in my shop. The 3rd pie table is old and in very rough condition, needs repair. The two good tables have a top tier that is 15 1/2 - inch diameter, a middle-tier that is 19-inch diameter, and a bottom-tier that is 21 1/2 - inch diameter.

Pick-up in Soap Lake or contact me for delivery options to the Spokane Area.
