Address: 9751 RD H.8 NE, Moses Lake

1500.00 \$ Price:

3hp motor with 2hp pump end 60 gallons a minute depending were the chart says how deep then you with get the performance you want it also comes with control subdrive 150 it's a constant flow system so you will always have the same pressure werever you want it brand new usually comes out to \$4000 but it's only a couple years old wanted more water so I upgraded to 5hp and bigger а motor pump.
