Vintage upright Cable Nelson piano, With Original Bench. Circa late 1950s.

Tuned two years ago but, never play it.

New owner may choose to refinish. Keys need to be cleaned. Top compensation fench is scratched (from a dog we had) and will need sanding and refinishing.

Piano is solid and has not been abused. She is just old and has been through many moves and children.

Listed as "fair" because of the issues listed here. Otherwise it's in really good shape .. Solid and beautiful!

Asking \$400 OBO, Negotiable!

You must pick up.
