Mickey and Minnie Mouse Cookie Jars

Made in Mexico

These are the large, 12-inch cookie jars.

They have a few chips; I have marked the most significant ones with a black arrow. You can see that they are not all that bad. Mickey may have had a very small chip repair on the edge of the left ear, see photo.

Condition: -- Two vintage cookie jars in great condition for their age. They have a few chips; please see description and photos below
