This is a 1927 Underwood typewriter. It is not in perfect condition due to its age, but the paint looks good, the logos and decals are clearly visible. No keys are missing, and it has been in storage inside a non smoking, no pets home. Already looks good enough for a display piece or home decor. Alternately, it an be restored to working order, or a craftsman can use parts for art items. I am asking \$40, but I am open to offers. Text or call 908-200-6153 before 8 PM for details.
