I have an antique Monitor Type ZA hand pump well that we had to take out from under our windmill last week. It is in working condition. I'm asking \$1,400, but I'm willing to negotiate. My name is Garrett Reckling. You can reach me at 402-416-6165 or email me at [garrett.reckling@doane.edu](mailto:garrett.reckling@doane.edu)
