Address: **Anthony**

We intend for this to serve as a public notice.

We are responsible for the oversight of the David and Amaris Ryan property west of Anthony.

The "No Trespassing" signs have been posted there because there is to be ABSOLUTELY NO TRESPASSING on the property.

We would appreciate it if the looting and vandalism would cease immediately.

The property is watched, and we will prosecute anyone caught trespassing, looting, or burglarizing the property.

If you have questions or information, please contact us through Facebook messenger.

Jim Seipel, or April Meyer (Amaris Ryan's mother)
