3 Basically New White Primed and Painted 5 Panel Interior Doors. Professionally painted but not used in a new house construction. If you are building or remodeling, these can save you money. These doors utilize time-tested stile and rail construction for more details and maximum stability. (2) 3' 0" x 6' 8" and (1) 2' 8" x 6' 8". The doors were to be hung but different doors were used. In great shape but need a little paint touch up on bottom edge. These doors new cost about \$950 plus freight. All 3 for \$500.
