The bed is in great condition! It is still like brand new. I purchased it brand new this year in February and needing to sell it ASAP since I am relocating next month. I am single, not married, and do not have children. I hardly even used this bed since I spent most of my weekends out of town. I do not mind discussing pick up/drop off if you are seriously interested. You can contact me by email or my cell phone at 423-903-4558. I appreciate it for the inquiry! Let me know if you have any further questions on behalf of this bed.
