Address:

4415 Mendenhall Blvd, Mendenhaven, Juneau

Price:

Free

This large cactus is Approximately 29 inches high (including the planter) and is about 40 inches wide at its widest point. The blooms are white with pink centers. I believe it is called a Christmas cactus, but it usually blooms at this time of the year in addition to various other times each year. Please call Linda at 789-7292 to see it.
