We bought a home in September and it came with black appliances and we want stainless. We have a Frigidaire dishwasher and microwave and a Whirlpool self cleaning electric range. I also have a Samsung side by side refrigerator that is around 10 years old that I can sell or keep. All appliances are black and barely used at all. Asking prices are Above the stove Microwave, \$100, Dishwasher \$200., Range \$375. and refrigerator \$525. Can deliver in St. Charles county if necessary. Call or text Patty at 636-795-7517 I live in Wentzville. Can take pictures for serious buyers.
