We bought this from Levine Furniture on sale for \$800 about 1 year ago. It is a sage green. It is a rocker, recliner and swivel. It is in excellent like new condition. No rips tears or stains. We have redecorated and the chair does not fit in the room. We have the receipt and paperwork (somewhere) This chair is extremely comfortable and relaxing and a great deal!!! There are no signs of being used - a very pretty color in person - photo makes it look like an army green and it is NOT. MAKE OFFER it MUST GO!!!!!! First one to show up with cash get it!!! Listed on other sites.
