CLC Lodging's Custom Solution reduces what you pay for workforce lodging while cutting staff time spent finding hotels, negotiating rates, auditing bills, reviewing expense reports and tracking costs.

CLC's Custom Solution:

Our staff of specialists works directly with you to develop a lodging program based on your company's specific requirements.

CLC leverages its consolidated purchasing power to obtain the best rates available for your travelers - typically 20-40% less than the lowest published rate.

We implement and oversee the program to help you achieve the greatest cost and administrative efficiencies while giving you more control over your company's lodging and more visibility into your lodging spend.
