Address:

W.3835 Hwy H, Fredonia

Price:

150.00 \$

The elliptical is in good condition. It's about 5 years old. You can workout at your own pace or there are programs that you can choose from, and the programs have different levels. It works great. I just need to sell it because I am moving out of state. Feel free to send me an email at sstageman02@gmail.com if you are interested.
