Address:

W.3835 Hwy H, Fredonia

Price:

650.00 \$

Both pieces of furniture must be sold together. They are both around 3 years old and were gently used. All of the pillows in the picture are included. The couch can easily fit 4 people comfortably. The chair is quite large. I am 5 foot 6 and when I sit all the way back my feet are completely off of the floor. These pieces are only being sold because I am moving out of state.

I am selling both the couch and chair for \$650. I am also accepting reasonable offers.

Feel free to send me an email at [sstageman02@gmail.com](mailto:sstageman02@gmail.com) if you are interested.
