A 2015 cannondale scalpel carbon 2, medium size, in excelent condition, well maintained, and minimal wear and tear! I have it set up with all stock parts which includes; sram X01 drivetrain, magura MT-6 brakes, lefty XLR fork, rockshox monarch shock with remote, and stans notubes wheelset. The only after market parts I have on it are maxxis ikon tire in the rear, and ardent race in front. If you want to go more into detail, check out cannondales website for specification (<http://www.cannondale.com/en/USA/Bike/ProductDetail?Id=fe02b43c-1563-4552-a6f5-83ba48be6569&parentid=7aa1f3cd-6c69-4e2a-af07-a4beac3f6945>) . This a great bike for cross country racing, and trail riding, and handles almost anything you throw at it. There are a few minor scratches on the frame and seatpost, but nothing too serious other than that, it is in mint condition. I love the bike, but hate to see it go as it has treated me very well. If you are interested please contact me!
