Laser Engraver/Engraving Business for sale 14K OBO. I am selling my Laser equipment that I have been using as my side business to spend more time with the family. I am including the laser as well as all materials plus extra inventory. You will have enough items to make money immediately without producing anything on your own. Everything works like new and I will provide a tutorial on the laser and get it professionally serviced for you if purchased. I am also including the computer system with all the design software. You will be able to cut and etch Wood, Leather, Paper, Acrylic, and etch on Metal and Steel such as YETI drink ware. Below is a list of everything included and the specs of the system.

Universal Laser System VLS3.5 12" X 24 Workable Area

HP Desktop PC with Corel Draw, Adobe Illustrator, Photoshop, Office

Exhaust blower

Honeycomb Cutting Table

Rotary attachment.

Heat press for vinyl and sublimation applications

Lots of Inventory for Vendor fair including tablecloths and black steel display racks

and any other materials on hand
