Avon's 1876 Cape Cod pattern glass dinnerware, made from 1975 to 1993, is one of the most beautiful deep ruby patterns. The pattern by Avon Crystal is known for its deep ruby red coloring and lacy designs that mimic those of sandwich glass patterns. This set includes 1 Dinner Plate, 1 Salad Plate, 1 Dessert Bowl, 1 Mug and 1 Small Wine Glass. They are made of a nice heavy glass in great condition with no chips or cracks. I do have additional sets available, as well as serving bowls, water goblets and a lot of other pieces. Interested parties please call Linda at 789-7292.
