This is a silver Kenmore brand gas grill. It has 4 main burners as well as a side burner. It comes with a full propane tank. Although cosmetically it is a little dirty it is not bad and has only been used about 6-8 times max. I paid \$500 roughly for it from Sears delivery and am asking \$280 OBO. You may contact me at (806) 681-5662 if you are interested or have any questions.
