Hey everyone, I have a Playstation 3 for sale. It's 12 GB, comes with a red corded controller with extended handles and a camo dual shock wireless controller. Wireless controller also comes with a charging port. This system comes with 3 games including NBA 2K13, WWE 2K13, and Need for Speed. System has original box and is in excellent working order. We're asking \$150 OBO and need it gone ASAP! Please call 601-422-5085 if interested.
