I am selling a 2018 Keystone Carbon Toy Hauler Camper model 364. Click on this link for specs. (

<https://www.rvusa.com/rv-guide/2018-keystone-carbon-toy-hauler-floorplan-364-tr34091>).

Comes preloaded with a top on the line surge gaurd with theft lock for the camper, 2 ground mats with stakes for door enterys, water hose and a carbon water filer, 2 more tvs- one in bedroom and one in garage and also have wall bracket for the tv for basement. It has hook ups for clothes washer and dryer. It also has a factory installed generator. I also installed blue LED lighting under the camper to make a glow effect at night time. Also installed white LED lighting as night lighting inside camper in kitchen, bathroom and bedroom. Its curently set up as "HANDI CAPPED" with a alum plate to get in from garage side into living room. It can be conveted back to stock easily. I have all the parts with no damages done to it from converting. The plastic covering is still on the bunk beds and bedroom bed. The camper was only used 6 times laster year for my dad until he past away last year.
