Need to move out, looking for someone to take over my lease through at least May 2016. Big bedrooms, big kitchen. Refrigerator and washer/dryer are only a few years old, and are of good quality/condition. Will include new microwave (purchased Nov. 2015). Overall, not a bad set up at all, just not right for me at the moment.

RENT:

\$525

(washer/dryer provided for additional \$30 /mo)
