Address:

McMinnville

Price:

3950.00 \$

Rifton Tram for lifting and transferring an immobile person, such as moving an elderly person from couch to bed or to toilet. This tram will also assist a person in walking or gait training (walking saddle included). Capable of lifting and transferring patients of varying abilities and body types. At just over seventy pounds, the TRAM's compact, ultralight frame is maneuverable in small or confined areas, as well as simple to transport or store. Maximum user weight: 350 lbs; maximum user height: 76 inches.
