Price: **17500.00 \$**

Selling my 2018 Kubota BX2680 with low hours (8.5 right now) in like new condition. 4WD, 19.5 HP. Has 5' Bush Hog (never used), 60 inch mowing deck that I used on our 1/4 acre and LA344 Front loader. Planned to move out of state and bought to avoid sales taxes, but now am not moving. Trailer is not included in package. . Send me a message and maybe we can deal. I would also consider financing it with 30% down over 2-3 years with a lease to own contract.
