I have a custom scuf infinity 4ps pro ps4 controller which includes: 2 paddles on the back and pro gamer grip. I don't have any use for it anymore and I need to make a little extra cash! I have had it for a year and a half, it's used but the controllers condition is great. I'm asking for \$150-200 for the controller. The original price I paid for it was \$300 (includes shipping and handling).
