One year old very nice sectional with 3 electric recliners from Ashley Furniture Mart. Light grey with black specs. 2 of the recliners on each side of the arm storage compartment also have heated seats, massage seats, cooled/lit cup holders and an integrated USB port. I recently moved into a house and it is way too large for my living room. 3 pieces, you pick up (it's on the first floor). Or I can help with my truck. This sectional was well around \$2500 and it's in perfect condition. No pets. \$1800 OBO. Thanks
